POLICY

It is the policy of the State Board of Psychology to ensure that all staff members and members of the Board are remunerated for their Board activities in an accurate and timely manner in accord with the requirements established by DAS. Members of the Board are remunerated for all Board-related activities and travel on an hourly basis pursuant to established State guidelines.

State payroll is entered biweekly by Board management staff, and all members are paid biweekly according to a predetermined 26-pay annual schedule, based on timesheets received from those who submit hours worked for a given pay period. Delays in the receipt of timesheets can result in significant delays in payment.

PROCEDURES

- 1) To foster timely payroll for hours devoted to Board activities, the Administrative Professional 2 (AP2) shall, before the latter Friday of a pay period, send timesheets to each member of the Board via email. Members of the Board shall submit to the AP2 by fax or email the hours worked, by date, for each day of the given pay period, in advance of predetermined deadlines for the entry of member and staff time into OAKS. The biweekly timesheet shall be in a Microsoft Excel format, allowing the form to be completed electronically or by printing and completion by hand. Members shall submit to the PA2 by return email or fax a biweekly timesheet listing hours for the given pay period.
- 2) The deadline for submission of hours shall be included on each electronic timesheet sent to members of the Board.
- 3) Hours not received in time for processing for the pay period in question shall be submitted as early as possible following the missed pay period for processing for back-payment. Payment for hours received after the deadline can be delayed for 2-4 weeks.
